SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release approximately 69.89± acres of airport property at the Sikeston Memorial Municipal Airport (SIK) under the provisions of 49 U.S.C. 47107(h)(2). On February 23, 2015, the City Attorney of Sikeston, MO requested from the FAA that approximately 69.89± acres of property be released for sale to Pebble Beach, LLC for the purpose of the back nine of a golf course. On April 1, 2015, the FAA determined that the request to release property at the Sikeston Memorial Municipal Airport (SIK) submitted by the Sponsor meets the procedural requirements of the Federal Aviation Administration and the release of the property does not and will not impact future aviation needs at the airport. The FAA may approve the request, in whole or in part, no sooner than thirty days after the publication of this Notice.

The following is a brief overview of the request:

Sikeston Memorial Municipal Airport (SIK) is proposing the release of a parcel, totaling 69.89± acres. The release of land is necessary to comply with Federal Aviation Administration Grant Assurances that do not allow federally acquired airport property to be used for non-aviation purposes. The sale of the subject property will result in the land at the Sikeston Memorial Municipal Airport (SIK) being changed from aeronautical to nonaeronautical use and release the surface lands from the conditions of the AIP Grant Agreement Grant Assurances. In accordance with 49 U.S.C. § 47107(c)(2)(B)(i) and (iii), the airport will receive fair market value for the property.

Any person may inspect, by appointment, the request in person at the FAA office listed above under FOR FURTHER INFORMATION CONTACT. In addition, any person may,

upon appointment and request, inspect the application, notice and other documents determined by the FAA to be related to the application in person at the Sikeston Memorial Municipal Airport.
